ROLLING DOLLARS ather No Interest-

And interest is what makes dollars grow-safely.

Of course, if you have saved money, you have it on interest-it not in good securities, then certainly in the bank.

Surely you are not one of those who use shot bags, stockings, tin cans and pots as depositories. If you are, you'll eventually be sorry.

It's far better to be safe than sorry.

We pay 4 per cent interest-100 per cent SAFETY.
